Entrant, Modeler or Proxy Signature: _____

INSTRUCTIONS _____

1. Completely fill out this brightly colored entry form (#901b) that has been included in your application package. If you have lost the brightly colored form, you can get another one at the NTS office. (Please DO NOT use a white paper if at all possible. Also be sure to identify your module location using the NTS location number.)
2. Turn in the completed form to the NTS office before its Thursday PM closing.
3. Obtain a brightly colored "J" sheet at the NTS Office; enter your name in the space provided and hang the "J" sheet on the most visible section of your module(s).
4. If the entry form is not turned in Thursday, when you first arrive Friday morning, affix the brightly colored entry form to the front of the module entered AND locate and notify the Module Judging Team of your late entry and its location. Judging begins about 7:00 AM and concludes about 10:00 AM. It is your responsibility to notify the judges before 10:00 AM or at the conclusion of judging.
5. The Module Contest Awards will be presented at approximately 3:00 PM Friday afternoon. The location at the NTS will be announced.
6. Photographs of the winning modules will be taken after the awards ceremony. Award Winners should keep the brightly colored "J" sheets affixed to the front of their modules so the camera crew can find them quickly.
